We go out of our way to create
memorable experiences.

A COLLECTION OF BRIGHTON AND LONDON'S FINEST RESTAURANTS

Founded by Brighton restaurateur Razak Helalat, Black Rock Restaurant Group is home to The Salt Room—modern British seafood, The Coal Shed—flame cooked steak and seafood restaurant, Burnt Orange—a Middle Eastern & Mediterranean inspired small plates restaurant and late night cocktail bar, and Tutto—a love letter to Italian dining.

We create restaurants where people can settle in, eat well and enjoy high-quality local produce without the fuss. No unnecessary flourishes—just great food, good company and service that knows when to top up your glass and when to leave you to it.

Private dining and events follow the same philosophy. Whether it's a corporate gathering, wedding, birthday or a dinner that just needs to be done properly, our events team will make sure it's something worth remembering.

Burnt Orange

EST. 2021

Burnt Orange is a neighbourhood restaurant and late-night bar at the heart of Brighton, just moments from the seafront and a few streets away from the historic Lanes.

The grown-up hangout offers Middle Eastern and Mediterranean-inspired dishes, focusing on high-quality seasonal ingredients. The result? Produce-led, flavour-packed dishes, all cooked in wood ovens or over an open flame and served to share. Burnt Orange was awarded a Michelin Bib Gourmand in 2022 upon opening, and we've proudly retained it every year since.

For a more intimate dining experience, our private dining room on the first floor accommodates up to 12 guests. Equipped with full multimedia facilities, including a 54" smart TV, it's perfect for boardroom meetings or creative sessions outside the office.

For parties, get-togethers, or birthday celebrations, guests can choose from a selection of sharing feasting menus starting at £60pp. The restaurant is open daily from 12pm.

TUTTO

Tutto is built on the food memories we share – and the ones we create with you. Housed in the elegant surroundings of a former banking hall, you'll find everything you love about eating and drinking in Italy: open-armed welcomes, long conversations over good wine, tomatoes that taste like sunshine, and the laughter of family and friends.

At Tutto, we live by the ethos 'bring everyone, eat everything,' which is at the heart of Italian dining. Simple, seasonal ingredients take centre stage, meant to be shared with great food and drink.

Yes, we serve dishes from Italy's thigh to its heel, but it's not just about the menu. Like our guests, we embrace everything about Italy – the warmth of the sun, the energy of its people, the respect for ingredients, and the moments where time slows and stress falls away.

Proudly included in the Michelin Guide, Tutto continues to honour the traditions of Italian cuisine while creating a welcoming space for all to enjoy. For big celebrations and never-ending lunches, guests can indulge in a selection of classic Italian dishes with our group menus starting at £45pp. The restaurant is open daily from 12pm.
